17 boys and 4 staff travel to Kenya on Tuesday 14 February for the 5th Kenya trip which was set up in 2013 to mark the College's 450th anniversary. We wish them well on their travels & would like to say thank you to everyone who has donated shoes & trainers for the project.

We also want to thank the companies that have been generous in their support. Digital ACE

Saturday 11 February 12 noon to 5pm

The event provides guidance on online safety and security and showcases the many areas that digital touches our lives in a very positive way. Digital ACE is about providing people with an environment that can feed and support their aspirations, providing people with the inspiration and tools to create new things, and to empower us all to learn, discover and be safe in our amazing digital world.

Throughout the day there will be a carousel of short talks, repeated each hour, on subjects such as staying safe and secure online, online behaviours and lifestyles and advice for parents and carers.

U16 Hockey Success
