School Council

Congratulations to School Council for presenting an excellent assembly at Beechwood this week. They had been very busy designing a timetable for using the hardcourt. They discussed ideas in groups containing School Council members from Years 3, 4, 5 and 6 before pooling the best ideas and creating a new timetable.

They then worked very hard to show the rest of the school which games can be played on the hardcourt. These are: netball, various tag games, circus skills and tennis ball throwing. "Sorry, no football for health and safety reasons," said Edmund Hartley, the Vice Chairperson who introduced the assembly with Chairperson Emily Griggs.

The assembly was very entertaining, with a colourful new timetable, film clips of some of the activities and live demonstrations of circus skills. Thank you, School Council!
