We are excited to be welcoming James Shone to deliver both the Principal's Lecture on Wednesday 22nd April and a talk on parenting on Thursday 23rd April. James is an inspirational speaker with a remarkable story. He regularly presents at many of the major public schools in England, including Eton, Wellington, Sherborne, Marlborough, and Cheltenham College.

Please visit his website (see link below) and watch his short video clip to understand a little about his background. We would thoroughly recommend this event to you.
