

# Sarnian success at Jersey Classic

THERE were 23 junior Guernsey squash players who travelled to Jersey recently to take part in the one-day Jersey Junior Classic event.

The trip proved a successful one for the Sarnian squad who returned with three titles, Tom Stewart at under-17 level, Patrick Josey at under-15s and Ben Taylor at under-13s. A number of the players were travelling with the squad for the first time and were looking to gain experience off-island in a competitive event.

It was a busy day with Guernsey having a spread of players across the under-11s, under-13s, under-15s and under-17s events.

'All our players gave it their all and have gained valuable experience from this event,' said Guernsey Squash development

officer Martin Watts.
