

# Efforts recognised

THE RBSI Guernsey Rugby Academy pulled down the curtain on another season with their awards night at the end of a campaign in which 11 players were chosen for the Hampshire county team.

In addition to that, there were four other county triallists.

The Hampshire caps were Matt Chamings (under-20s), Dominic Rice, Ben Honour and Harry Finch (under-18s), Matt Armstrong (under-17s), Alfie Penney (under-16s), John Le Noury and Will Mason (under-15s), Matt Creber and Cody Simms (under-14s).

In addition, never before have so many Colts have been deemed strong and able enough to play up into the senior 2nd XV and one, Dominic Rice, even got a run-out in the first XV pack.

Naturally, there are outstanding individuals

in any age-group squad, while others make steady progress over the course of a season.

To recognise such players, a most improved trophy was awarded in each category, alongside the player of the year award in each age-group.

## Winners

(main award named first)
