## Head of Elizabeth College Junior School (ECJS)

Elizabeth College wishes to appoint a Head of the Junior School by January, April or September 2018 on the current Head's move to the Headship of Clifton College Prep.

ECJS comprises two very well resourced, linked sites with the Pre School and Pre Prep based at Acorn House and the Prep School housed on the Beechwood campus.

The new head of ECJS will be a high calibre primary or prep school leader who may be seeking their first Headship or looking to bring their current Head's expertise to this excellently located and very successful prep school. The successful candidate will become a member of the SLT of Elizabeth College, to which almost all the boys transfer at 11.

Further details are available on the Anthony Millard Consulting website
