

TAKING, STORING AND USING IMAGES OF CHILDREN POLICY

1. This Policy

- 1.1. This Policy is intended to provide information to pupils and their parents, carers or guardians (referred to in this policy as "parents") about how images of pupils are normally used by Elizabeth College, Elizabeth College Junior School and Elizabeth College Junior School Pre-school ("the school"). It also covers the school's approach to the use of cameras and filming equipment at school events and on school premises by parents and pupils themselves, and the media.
- 1.2. This policy applies in addition to the school's terms and conditions, and any other information the school may provide about a particular use of pupil images, including e.g. signage about the use of CCTV; and more general information about use of pupils' personal data in the Elizabeth College Data Protection Policy.

2. Parental Consent

- 2.1. Parents who accept a place for their child at the school are invited to agree to the school using images of him/her as set out in this policy, by returning the Registration form. We hope parents will feel able to support the school in using pupil images to celebrate the achievements of pupils, promote the work of the school, and for important administrative purposes such as identification and security.
- 2.2. Any parent who wishes to limit the use of images of a pupil for whom they are responsible should contact the School Office at Elizabeth College, Beechwood, Acorn House or the Pre-school as appropriate in writing. The School will always respect the wishes of parents/carers (and indeed pupils themselves) where reasonably possible, and in accordance with this policy.
- 2.3. From the age of 13 onwards, parents should be aware that the law recognises pupils' own rights to decide how their personal information – including images – is used.

3. Use of Pupil Images in School Publications

- 3.1. Unless the relevant pupil or his or her parent has requested otherwise, the school will use images of its pupils to keep the school community updated on the activities of the school, and for marketing and promotional purposes, including:
 - 3.1.1. on internal displays (including clips of moving images) on digital and conventional notice boards within the school premises;
 - 3.1.2. in communications with the school community (parents, pupils, staff, Directors and alumni) including by email, on Firefly and by post;
 - 3.1.3. on the school's website and, where appropriate, via the school's social media channels including Twitter and Facebook. Such images would not normally be accompanied by the pupil's full name without permission;
 - 3.1.4. in the Elizabethan Magazine, Newsletters or similar publications which may be issued both on paper and as an e-magazine accessible on one or more of the school's website, the Old Elizabethan Association's website and the College's Digital Archive; and
 - 3.1.5. in the school's prospectus, and in online, press and other external advertisements for the school. Such external advertising would not normally include pupil's names.
- 3.2. The source of these images is predominantly a professional photographer for marketing and promotional purposes, or staff/pupils in relation to school events, sports or trips. The school will only use images of pupils in suitable dress.

4. Use of Pupil Images for Identification and Security

- 4.1. All pupils are photographed on entering the school and, thereafter, every year for the purposes of internal identification. These photographs identify the pupil by name, year group, house and form/tutor group.
- 4.2. CCTV is in use on school premises, and will sometimes capture images of pupils. Images captured on the School's CCTV system are used in accordance with the school's CCTV policy.

5. Use of Pupil Images in the Media

- 5.1. Guernsey based media organisations are regularly invited to school events including prizegiving, concerts, Church services, charity activities and other day-to-day activities of the school. The School will make every effort to ensure that any pupil whose parent or carer has refused permission for images of that pupil to be made in these circumstances are not photographed or filmed by the media.
- 5.2. Individuals in images taken by media organisations will be named where this is considered relevant and appropriate.

6. Security of Pupil Images

- 6.1. Professional photographers and the media are accompanied at all times by a member of staff when on school premises. The school uses only reputable professional photographers and makes every effort to ensure that any images of pupils are held by them securely, responsibly and in accordance with the school's instructions.
- 6.2. The school takes appropriate technical and organisational security measures to ensure that images of pupils held by the school are kept securely, and protected from loss or misuse, and in particular will take reasonable steps to ensure that members of staff only have access to images of pupils held by the school where it is necessary for them to do so.
- 6.3. All staff are given guidance on the school's Policy on Taking, Storing and Using Images of Pupils, and on the importance of ensuring that images of pupils are made and used responsibly, only for school purposes, and in accordance with the school's policies and the law. Images of pupils in a safeguarding context are dealt with under the school's safeguarding policy

7. Use of Cameras and Filming Equipment (including mobile phones) by Parents

- 7.1. Parents, guardians or close family members (hereafter, parents) are welcome to take photographs of (and where appropriate, film) their own children taking part in school events, subject to the following guidelines, which the school expects all parents to follow:
 - 7.1.1. When an event is held indoors, such as a play or a concert, parents should be mindful of the need to use their cameras and filming devices with consideration and courtesy for cast members or performers on stage and the comfort of others.
 - 7.1.2. In particular, flash photography can disturb others in the audience, or even cause distress for those with medical conditions; the school therefore asks that it is not used at indoor events.
 - 7.1.3. Parents are asked not to take photographs of other pupils, except incidentally as part of a group shot, without the prior agreement of that pupil's parents.
 - 7.1.4. Parents are reminded that such images are for personal use only. Images which may identify other pupils should not be made accessible to others via websites or social media (for example Facebook), or published in any other way.
 - 7.1.5. Parents are reminded that copyright issues may prevent the school from permitting the filming or recording of some plays and concerts. The school will always print a reminder in the programme of events where issues of copyright apply.

- 7.1.6. Parents may not film or take photographs in changing rooms or backstage during school productions, nor in any other circumstances in which photography or filming may embarrass or upset pupils.
- 7.1.7. The school reserves the right to refuse or withdraw permission to film or take photographs (at a specific event or more generally), from any parent who does not follow these guidelines, or is otherwise reasonably felt to be making inappropriate images.
- 7.2. The school sometimes records plays and concerts professionally (or engages a professional photographer or film company to do so), in which case copies of the DVDs and CDs may be made available to parents for purchase. Parents of pupils taking part in such plays and concerts will be advised if it is intended to make such recordings available more widely.

8. Use of Cameras and Filming Equipment (including mobile phones) by Pupils

- 8.1. All pupils are encouraged to look after each other, and to report any concerns about the misuse of technology, or any worrying issues to a member of the pastoral staff.
- 8.2. The use of cameras or filming equipment (including on mobile phones) is not allowed without specific permission of a member of staff.
- 8.3. The misuse of cameras or filming equipment in a way that breaches this Policy, or the school's Anti-Bullying Policy, E Safety and Acceptable Use Policy for Pupils or the school rules, is always taken seriously and may be the subject of disciplinary procedures or dealt with under the relevant safeguarding policy as appropriate.
