James Shone

7pm Thursday June 14, Parent talk
'Keeping our eyes on the right ball.'

*"You were brilliant,
stunning & extraordinary."*

Sir Anthony Seldon (former Head of Wellington College)

Some parents will remember James Shone who visited College 3 years ago to speak to parents and to give the Principal's Lecture. He is returning to Guernsey to speak to both College pupils, parents and at a school leadership conference. Parents are invited to attend a talk at 7pm on Thursday June 14.

I hope many of you will find the time to attend. I am completely confident that you will not regret the time spent. He has a remarkable story which is outlined in his 2 minute clip <http://icanandiam.com/>. He is certainly one of the most inspiring and challenging speakers I have heard. If you are hesitant, do read some of the testimonials on his website <http://icanandiam.com/testimonials/>.

"I was thoroughly and utterly inspired by your session today. People like you make the world a better place and give me hope for our children. Thank you." A Cranleigh parent
