## Headlines

Despite having some decidedly variable weather this week, we have completed a very full sporting week in a very short time. The Beechwood Sports Day was another success. Despite being a little chilly, all the children participated and were well supported by their parents and peers. A huge thank you to Peter Sargent and the Beechwood team. When things run so smoothly there has always been teamwork and preparation involved. Thanks also to Nathan and the Friends' for the food. Next Wednesday we will be at Footes Lane again for the Island athletics meet. I was able to watch most of our Year 6 hockey team's games in the schools' tournament. When I left they had won all their matches and they were heading to the final. It did mean that I missed the first cricket match of the season, but with the Ipswich tour only a week away, I am sure I will see them all in action very soon.

Our week has not been all sport, some of our boys were very fortunate to join the Senior Choir in St Malo. They were a credit to our school and had a unique experience. Thanks must go to Mr Sutton and Mr Le Prevost for giving up their Bank Holiday weekend to provide this fantastic opportunity.

Aim High, Be Kind, Be Brave.
