Headlines

As a departure from the usual format, this week I will be looking forward rather than back. We enter the busiest of seasons. Next week we have a group of Year 5 & 6 touring Clifton, the following week we have Hampton school touring here. In between this, the ICC are running an International Cricket Tournament on College Field and our children should get a chance to watch some first class cricket. A week Tuesday, is the Year 5 Sark Residential. The following week is Activity week for years 3, 4 and 6 including the Year 6 residential in the UK. For me, that means a week in a tent followed by a week in a residential centre. It is a wonderful opportunity to be with the children, but it does remind me to thank all the staff who spend time away from their families to run tours and enable these residential activities to happen. After school clubs for the Michaelmas term will be shared with you at the start of next week with sign up days being Friday 14th June and Monday 17th June.

Aim High, Be Kind, Be Brave.
