## Year 13 Parents Evening Online Wednesday, 1 December

The Year 13 Parents Evening will take place on Teams. Students have been asked to make appointments with their teachers.

## School Post

To manage the flow of routine emails sent during the school day, messages are sometimes grouped together so that parents receive one consolidated email at 4.00pm. The top of the email will tell you how many messages are included so please do scroll down to see them all.

## Lost Property

Please ensure all property is clearly labelled. Lost property is overflowing with unnamed uniform and shoes. If your child is missing an item please ask them to see Mrs El-Mettouri during morning break time.

## Digital Guide 'Netflix'

Netflix is a subscription-based streaming service that allows users to watch TV shows and movies on any internet-enabled device that supports the software, such as smart TVs, phones and tablets. The pandemic saw a surge in children consuming on-demand content as many families relaxed their screen-time rules. Netflix's diverse range of programming caters for all age groups – so it's important for parents to recognise the potential risks of children using the service and the measures to help their child enjoy a safe streaming experience. Please see attached guide for more information.
