Headlines

Despite the rain, wind and COVID, we have managed to run our house football and netball tournaments this week. We were also able to say goodbye to the Lieutenant-Governor Vice Admiral Ian Corder in style. Our children from Reception through to Year 2 went across to Government House to wave them off.

Next week we have our swimming galas in Year 3-6. Just a reminder that if you come to support, please wear a mask and, if possible, take an LFT test in the morning. Pre-school will be recording their nativity and we begin the Christmas fun.

We are following all the COVID guidelines, and we have been quite fortunate with the number of cases we have experienced to date. Inevitably, families and staff are impacted by this. I have had the pleasure of teaching in Year 2 and Year 6 this week. We are fortunate that, at present, we have been able to continue pretty much business as usual concerning the children's experiences. A huge thank you to the team at school for their flexibility and the parents for following guidelines and getting advice when requested to do so.
