- Fortnightly Focus -

This week (starting 13th of Feb), the focus is on
Uniform- Socks and jewellery.

Socks should be plain dark grey/charcoal (Grey knee-length socks worn with skirt or ankle socks worn with trousers). Tights should be plain charcoal/navy.

No jewellery should be visible; this includes wristbands, bracelets, or rings. No piercings, except ear lobes: one pair of small studs in both ear lobes without pattern may be worn during school time.

We would welcome your support in reinforcing these positive behaviour and attitude choices at home too.

- Talk about Tech hour -

Please join us for the first "Talk about Tech hour" for Parents of Years 7-9 on **Wednesday 15 February**, 5:00pm-6:00pm in the Elizabeth College refectory.

These sessions will provide parents with the opportunity to speak to other parents about the challenges faced when their children use tech and any ideas for managing them. Tech support will be on hand, with Clarity IT Services and Elizabeth College's IT Support department available to help and advice.

There will be coffee, cake, and fruit available, courtesy of Clarity IT
