Headlines

A quieter week this week allows me to thank you all for your uptake and engagement with Class Dojo. This seems to have really helped to share with you what is going on and sending messages that you need to know. Increasingly more information and reminders will be shared on DOJO, so please ensure that you check it regularly.

Please remember that illness, absence or last-minute arrangements still need to go through the office email or by phone.

Next week, our half-term starts on Friday, but all clubs will continue up to and including Thursday. Hereford visit us again for football matches, and Hockey completes another week of sport.

VOLUNTEERS NEEDED!

This is an urgent call for volunteers to help at the Mardi Gras disco for Beechwood and the Movie night for Acorn. Both are on Friday the 3rd of March. These events cannot happen without the assistance of parents, so we do ask that if you can help, please let Manoela or the school secretaries know. All funds raised at these events benefit the children and the school.

A gentle reminder that the forms to attend these events are due by February 16th.
