ELIZABETH COLLEGE

Elizabeth College, founded in 1563 by Queen Elizabeth I, is a selective day school with a broad ability range located in St Peter Port in Guernsey. One of the earliest members of the Heads' Conference, it provides a challenging and highly stimulating academic and co-curricular programme for children from 2 ½ through to 18 years of age in a co-educational environment.

Whether it is for our youngest children in the Pre-School or the eldest studying for their A Level examinations, the Elizabeth College curriculum is vibrant, progressive and stretching. Our staff are focused on helping all our students to learn, to grow and to be better than they were yesterday. This is reflected in our students' examination performances and the successful careers of our alumni. But success goes beyond test scores and university acceptances; at Elizabeth College we nurture the whole child. Our school culture, our diverse offering of co-curricular activities and our comprehensive pastoral care instil in our students a set of core values that we hope will equip them for success for the rest of their lives.

The Junior School is split over two sites, joined by the Elizabeth College Junior School Field. The Acorn site for children aged 2 through to 7 (Key Stage 1) is located on the King's Road and the Beechwood site for children aged 7 through to 10 (Key Stage 2) is on the Queen's Road. ECJS is located approximately half a mile away from the Upper School, on The Grange. While the campus is split, common spaces such as sporting facilities are shared. Familiarity with the site, staff and routines allows for smooth transitions between the different educational stages, with staff working together to ensure continuity of pastoral and academic support.

The Upper School became co-educational in September 2021 with girls joining the College in Year 7 and Year 12. This change was made recognising the needs of modern society and builds on both our well-established co-educational offering in the Junior School and the positive impact of our twenty-year Sixth Form partnership with The Ladies' College. Years 10 and 11 remain boys only as we take a phased approach to the introduction of the co-educational model. The Upper School offers a wide variety of subjects with most students taking between nine and eleven GCSEs.

Beyond the classroom, there are extensive opportunities for students to become involved in Sport, Music, Drama, STEM activities, trips and tours, the Combined Cadet Force (CCF), the Duke of Edinburgh's Award Scheme and many other activities.

Curiosity | Compassion | Courage

OUR VALUES

Everything we do at Elizabeth College is centred around living to our core set of values. They help steer how we behave, learn and treat each other, and they are embedded in and reflected upon in all aspects of school life.

An Elizabeth College education is designed to create well-rounded, resilient young people who have the skills, attitudes and values to be successful individuals who make a positive contribution to society. This focus begins right at the start of the Junior School with a simple set of easy to follow core values. For our youngest children we teach them to: Aim High, Be Kind, and Be Brave. Providing this toolkit for school life, ensures we encourage them to develop self-confidence and a love of learning, while being sensitive to the feelings of others.

As students move up through the years and into the Upper School we actively use our core values: Curiosity, Compassion and Courage to guide our daily interactions with one another and our approach to school work.
