

## School Attendance Policy

### 1. Introduction

Our aims for this policy are to ensure good attendance, discourage lateness and to ensure that a full record is kept of all absences. It is also for the school to be aware of all persons present on the school site at any one point in time.

The key principles which underpin this policy for managing attendance are that:

- Parents/carers whose children attend school have a duty to ensure that their children attend regularly and punctually in order to get the most benefit from their education
- Regular and punctual attendance at school is key to the academic and social development that will improve the life chances of learners
- Learners who attend school regularly and punctually are less likely to be at risk, both in terms of engaging in anti-social behaviour and in terms of their own wellbeing and safeguarding.
- Elizabeth College will work collaboratively with families and other agencies to address barriers to attendance

The policy will also ensure that registers are correctly kept and available for inspection by any appropriate body at any given time.

Where reasonably possible, the school will hold more than one emergency contact number for each pupil to provide the school with additional options to make contact with a responsible adult, particularly when a child, missing from education, is also identified as a welfare and/or safeguarding concern.

The school will report to School Attendance Services a pupil who fails to attend school regularly or has been absent from school without the school's permission for a continuous period of 10 school days or more

### The Legal Framework

The College will have regard to UK statutory guidance - Working Together to Improve School Attendance (August 2024)

Section 17 of the Education (Guernsey) Law 1970 (the '1970 Law') places a legal duty on parents/carers of every child of compulsory school age (5-16) to ensure that they are receiving efficient full-time education suitable to their age, aptitude and to any special educational needs they may have, either by attendance at school or otherwise. Under Section 20 of the 1970 Law, parents/carers who fail to secure their children's regular attendance (at school) shall be guilty of an offence and Education Services has a duty to take appropriate action by serving a School Attendance Order on the parent(s).

In accordance with the Learners' Registration (Guernsey) Regulations, 1970, it is a statutory requirement for schools to:

- Maintain school registers
- Accurately record the presence or absence of all learners at the commencement of each morning and afternoon session
- Make their registers available for inspection by Education Services

In addition, as part of an accredited British School Overseas we are required to meet the following standard- Leadership must ensure that the school's admission and attendance register is maintained in a manner which conforms to host country laws.

## **2. REGISTERS**

- Registers are taken every morning between
- Years R-2 08.30-8.35
- Years 3-6 08.30- 08.35
- Pupils are also registered at the start of afternoon sessions each day.

Late Arrival Registration takes place each day from 8.35 am. It is therefore essential that if a pupil arrives late, they sign in at Reception, so our systems remain fully updated. In case an evacuation of the school, it is necessary that we know exactly where every pupil is at all times.

## **3. Leaving school early during the day**

Pupils are not normally allowed to leave the site during the school day unless accompanied by a member of staff, for a trip, a visit or a sporting fixture.

If a pupil has to leave the school during the day for illness or an adult is collecting for a medical appointment, the administrative team will sign the pupil 'out' prior to leaving the school sites.

## **4. Notifying the school of illness**

If an occasion arises where a child is ill, the parent or guardian must e-mail [office@ecjs.gg](mailto:office@ecjs.gg) or telephone the school 01481 722123 (Beechwood site) or [officeacorn@ecjs.gg](mailto:officeacorn@ecjs.gg), telephone 01481-713862 (Acorn site) before 09:00 each day. If the school has not heard from a parent or guardian we will telephone to enquire as to the child's whereabouts. We ask that parents/guardians make contact with us each day their child is going to be absent in order that we can keep records updated and so that the school can keep abreast of their progress to full health and anticipated return date.

## **5. Requesting Absence**

If you wish to request an absence for any planned appointment or event, you should make the request in writing via email and send it to [office@ecjs.gg](mailto:office@ecjs.gg) for years 3-6 and [officeacorn@ecjs.gg](mailto:officeacorn@ecjs.gg) for years Reception – 2, marked 'request absence'. Absence during term time is discouraged.

## 6. Authorised Absence

Authorised absence is where the school has either given approval in advance for the child to be away or where an explanation offered afterwards has been accepted as a satisfactory explanation for absence. Parents may not authorise absence; only schools can do this.

The main areas where the school will authorise absence are given below:

**Illness** -Where schools accept that a pupil is ill, they must authorise the absence but can request parents to provide medical evidence to support illness.

**Appointments Dental and medical appointments** -Authorised absences but, where possible, such appointments should be made out of school hours.

**Religious observance**- The school will treat absence as authorised when it is due to religious observance on a day that is exclusively set apart for religious observance by the religious body to which the parents belong. Where necessary, the school may seek confirmation from that religious body that the day has been set apart for religious observance.

### **Exceptional circumstances / unavoidable causes –**

Authorised absence will be granted for compassionate reasons such as a serious family illness or bereavement.

The following are not routinely considered an exceptional circumstance –

- birthdays
- holidays
- days out as a special treat
- other family celebrations

In these or similar situations we would ask you to complete and sign our Leave of Absence Form. This asks you to formally acknowledge that the absence is unauthorised for record keeping purposes. It also clarifies that work will not be routinely set and that excessive absence from school could have an impact upon academic progress.

## 7. Poor attendance

The College has high expectation regarding attendance. If attendance falls below 95% in any six month period we will follow the actions in the table below.

ECJS Attendance Team to track attendance every four weeks			
Stage 1- 95.1% to 100%	Stage 2- 90% to 95%	Stage 3- 85% to 89.9%	Stage 4- 85% or <
Expected attendance	Formal letter sent indicating level of attendance and possible impact *	Attendance meeting arranged*  Progress needs a follow up meeting in 4 weeks to review and evidence	Flag and refer to Schools Attendance Service (SAS)  There must be evidence of stages 1 to 3 prior to referral

\* There may be reasons for absence that will not require these stage actions but the reasons and actions should be recorded.

If attendance does not improve and absence continues to be persistent, the school will contact Schools Attendance Service and ultimately could lead to a review of the ability of the child to continue to be registered at Elizabeth College Junior School.

## 8. Maintaining records and reporting to the authorities

The school’s attendance register is summarised weekly and stored electronically. It is backed up, in the form of an electronic copy, at least once a month and records are retained for three years after the end of the school year in question. Local authorities have a legal responsibility to identify children of compulsory school age who are not in education. The College may therefore receive an enquiry about whether they are educating a specific child. The College alert their local authority after a pupil of compulsory school age has:

- been absent without notification for 5 consecutive school days, or
- failed to attend school regularly, or
- been removed from the school without the school being informed formally, in writing

## Appendix 2 Exemplar Letters

Dear

### **Absence from School**

I am pleased to see that your son/daughter, (*name*), has returned to school following a period of absence. However, the school has not received from you an explanation for (*name's*) recent absence.

It is a legal requirement that the school maintains accurate records regarding learner attendance and in particular the reasons for any absence. Such records contribute to the process of promoting regular school attendance among learners.

I should, therefore, be grateful if you would contact the school at your earliest convenience with an explanation for (*name's*) recent absence from school.

Thank you for your co-operation.

Yours sincerely

## Letters for Punctuality

Dear

### **Punctuality at School**

I am writing to you to express concern regarding your child, (*name's*) punctuality at (*name*) School. Attendance records held by the school reveal that since (*date*), (*name*) has arrived late for school on (*number*) occasions.

I should like to emphasise the importance of learners arriving punctually at school for both morning and afternoon sessions. This ensures that learners do not miss out on important information at the beginning of each session, and it avoids disruption to the learning of other learners.

Your co-operation in this matter would be greatly appreciated.

Yours sincerely

### **Punctuality at School**

I am writing to you to express concern regarding your child, (*name's*) punctuality at (*name*) School. Attendance records held by the school reveal that since (*date*), (*name*) has arrived late for school on (*number*) occasions.

I should like to emphasise the importance of learners arriving punctually at school for both morning and afternoon sessions. This ensures that learners do not miss out on important information at the beginning of each session, and it avoids disruption to the learning of other learners. Additionally, late arrival at school (after registration) may contravene Section 20 of The Education (Guernsey) Law, 1970 regarding regular school attendance.

Should you wish to discuss this matter further with me, please do not hesitate to contact me, Tel: (*number*).

Yours sincerely

## Letters for Illness/Medical Reasons

Dear

### **Absence from School – Illness**

I am grateful to you for having notified the school of your son/daughter, (*name(s)*) ill health, which has been responsible for his/her recent absences from school. These absences have been recorded as 'authorised' in the school attendance register. However, in order to continue recording (*name's*) absences as 'authorised', the school will require confirmation of (*name's*) continuing ill health from a medical practitioner.

I should, therefore, be grateful if you could provide the school with a letter or medical certificate from your family medical practitioner regarding (*name's*) current state of health.

Should you wish to discuss this matter with a member of staff, please would you ask for (*name*).

Yours sincerely

**OR**

Dear

### **Absence from School**

You will be aware through the school's contact with you that your son/daughter, (*name's*) record of school attendance during the (*name*) Term (*year*), has given cause for concern. During this period (*name*) attended school for (*number*) out of a possible (*number*) sessions, thereby achieving only (*number*)% attendance.

It is not entirely clear whether (*name's*) absences from school can be attributed to ill health. Should ill health be responsible for all or part of (*name's*) absences from school it would be in your interest to provide the school with evidence of this in the form of medical certificates or a letter from your family doctor.

Should (*name's*) record of school attendance continue to give cause for concern and in the absence of medical certificates or a letter from your family doctor, it will be necessary for the school to decide what further action should be taken by both school and Education Services.

Should you wish to discuss the contents of this letter with a member of staff please would you contact the school and ask for (*name*).

Yours sincerely

Letters for 95% and 90% Attendance

Dear

## **Attendance at School**

I am writing to inform you that your child's attendance is giving cause for concern. At present, your child's attendance for the current school year is *(number)*%.

Our expectation is that all students achieve an attendance percentage of at least 95%. Students who do not regularly attend inevitably fall behind in their subject areas and so regular attendance is crucial particularly at this vital time in your child's education.

I understand there may be good reasons for your child's absence which we may not be fully aware of. If you feel your child is experiencing any issues related to school that are affecting their attendance, please telephone me on *(number)*. This will enable us, as a school, to support your child to the best of our ability and also to ensure your child receives positive experiences with the school.

Please do not hesitate to contact me should you wish to discuss this or require further information.

Please find enclosed a copy of your child's attendance certificate for you information.

Yours sincerely

Dear

## **Attendance at School**

The purpose of this letter is to inform you that your child's attendance was (*number*) % last half term and is currently (*number*) % for this academic year. Any child whose attendance falls below 90%, for whatever reason, including sickness absence and holidays becomes a cause for concern.

We understand that most parents and carers always inform school of any absences but it is our duty to let you know whenever your child's absence falls below an acceptable level. If you are experiencing any difficulties and attendance is becoming a problem, please contact school as there are many ways in which we can provide support and help.

All parents/carers have a legal responsibility to ensure their children attend school regularly and punctually. If there is no improvement in attendance, a referral may be made to the School Attendance Officer (SAO) concerns list. In extreme circumstances legal proceedings can be entered into.

As you know, frequent absences have a serious effect on educational progress. If your child is ill, please continue to inform the school on the first morning of absence. Please remember that you must leave a reason for the absence including the nature of the illness. In cases where there are frequent absences due to illness, we may ask you to provide medical evidence from your GP in order for the school to authorise the absence. Please get in touch with the school if you have concerns about your child's health impacting on their attendance so that we can discuss ways in which we can help.

Please find enclosed a copy of your child's attendance certificate for this year and last.

Thank you for your continued support.

Yours sincerely

Appendix 3: Notification of Leave of Absence for Holiday

**Notification by Parent/Carer of Leave of Absence for Holiday During Term Time**

*If a parent or carer intends to take their child out of school during term time to go on a holiday, for safeguarding reasons they should complete the form at the bottom of the page.*

Elizabeth College Junior School seeks to provide high standards and high expectations for all to enable learners to realise their full potential.

Although Guernsey law does not preclude term time holidays, they are not a right. Absence for holiday negatively impacts a child’s attendance at school and, as such, Elizabeth College Junior School does not approve of them.

It is, therefore, the position of Elizabeth College Junior School that holidays in term time will not be authorised.

For safeguarding reasons, it is important that schools are aware of a child’s whereabouts during term-time. Therefore, if parents/carers do intend to arrange for their child to have holiday in term time, they should inform the Headteacher of their intention and the dates of the holiday by completing the form below and returning it the school no less than two weeks before the date the period of absence is intended to start.

I am notifying you that (name of child): \_\_\_\_\_ Will be taking  
leave of absence from (name of school): \_ from (date): \_\_\_\_\_ to (date):  
in order to take part in a holiday.

**I understand that this absence will not be authorised by the school and will impact my child’s attendance figure for the year.**
